

RAFFLE TRACTOR – Mow-In 2008

1985 GRAVELY TRACTOR, Model 5665, 12 hp, 2-wheel with a 30" mower, Serial # 005666890

Partial Listing of work done on this tractor:

1. Engine rebored .010 oversize with a new Piston and Rings.
2. Valve guides replaced and complete valve job performed
3. Cylinder head refaced
4. New ignition, coil, points, condenser and spark plug, new battery
5. Rebuilt carburetor
6. Transmission completely torn down and rebuilt with new gaskets and seals in the engine and transmission
7. Handle bars and gear shift control levers were rechromed
8. New tires
9. New hand grips, throttle cable, choke cable, fuel pump, and quick hitch
10. 30" quick hitch mower with new skids, front and rear shields, under deck weight
11. Tractor and mower were painted and 14 new decals installed.

All of the above work professionally done by Club Member: Brian Jennings.

Donations of \$5.00 will obtain a book of three tickets. Tickets will be available to Club Members with their registration forms and at Mow-In 2008 on October 4, 2008 at Point Pleasant, WV. The winning ticket will be drawn at the Banquet of the Mow-In on Saturday, Oct. 4th. The winner does not need to be present, but all arrangements and shipping costs from North Delaware or personal pick up are the responsibility of the winner.
